Capitol Sweeping Services: A Certified Sweeping Company!

We are so pleased to announce that Capitol Sweeping Services has recently become a Certified Sweeping Company. The North American Power Sweeping Association created the program to establish important and specific guidelines that all sweeping companies should adhere to. The goal is to create a quality level among all sweeping companies. The hopes is that property managers, municipalities and states will use certified sweeping companies first, knowing that they are well established, professional businesses. You can trust that Capitol Sweeping Services is always working hard to be a leader in the sweeping industry!

Qualification to be a CSC is based on:

- Number of years in the industry
- Employee and Business Practices
- Continuing Education
- Safety and Vehicle Maintenance
- Insurance Practices

Click [here](#) to learn more about the certification process

Did you know?

Capitol Sweeping Services buys our diesel from a wholesaler and stores it on site! This allows us to provide the lowest prices possible, as 9 times out of 10, our diesel price is cheaper than the price at the pump!

More than a Sweeping Company...

Infrared Asphalt Repairs are available YEAR ROUND for permanent pot hole repairs!

Capitol Sweeping Services is your one-stop-shop for all of your parking lot maintenance needs. We also offer:

- Full Service Landscaping (Call us today to bid for your 2010 season!)
- Snow Plowing
- Catch Basin Cleaning and Power Line Jetting
- Traffic Sign Installment/Replacement
- Line Painting
- Infrared Asphalt Repairs
