Capitol Sweeping: Catch Basin Repairs

If you didn't know already, now you will: Capitol Sweeping does more than clean catch basins. We also repair collapsed catch basins, replace catch basin grates, and repair deteriorating asphalt surrounding catch basin tops.

Heavy rains during the spring months caused this catch basin and sidewalk to collapse. Capitol Sweeping completely repaired the damaged sidewalk and catch basin!

Capitol Sweeping Services also offers culvert and rip rap cleaning with our Catch Basin Equipment!

Call Capitol Sweeping Services today for any and all of your parking lot needs!

We are happy to provide estimates for any of your exterior maintenance needs:

Infrared Asphalt Repairs, Catch Basin Repairs, Line Striping, Sign Replacement and more!
